

# Stryker Family

Stryker · Army · General Dynamics Land Systems

**+23%** \$7.1B (2000) → \$8.7B (2003)

## ASSESSMENT

+23% (2000 → 2003, nominal) — the largest driver was military construction (upgrading maintenance facilities), not the vehicle itself. Later Double-V-Hull is a separate effort.

## SOURCE

GAO-04-925 (2004): \$7.1B (2000) → \$8.7B (2003), nominal; per-vehicle \$3.34M → \$4.13M.
